Sir:

In response to the Notice of Non-Compliant Amendment mailed January 10, 2005, attached is a corrected version of the non-compliant portion of the Amendment and Response to Office Action mailed December 23, 2004. Specifically, Applicants submit a corrected version of the entire "Amendments to the Claims" section of the Amendment. The present Amendment to the Claims section is similar in content to the Amendment to the Claims section in the Amendment mailed December 23, 2004, except that each claim has now been provided with the correct status identifier. Claims 1, 37, 39, 40, 41, and 54 now state "Previously presented" and claims 58 and 59 now state "New." Applicants respectfully request entry of the present Amendment and Response to Office Action. Submitted with this Response is a Change of Correspondence Address, along with a Petition to Revive under 37 CFR §1.137(b).
